Copy of report No.1106 dated 17th April 1914 from the Chief Inspector of Police, Bangalore City.

Submitted

I beg to report that I went to the offices of Karnataka Revenue and Agricultural Gazette, Vikatavinodini and Vokaligara Patrika and made enquiries into the matter.

1.Karnakataka-

This Journal was started in the month of April 1913. It is steadily increasing in circulation.

2.Revenue and Agricultural Gazette.

The decrease in the number from 1600 to 1250 is due to the non-receipt of subscriptions from the subscribers. This will naturally occur in the case of journals, in which some are interested and others uninterested in the contents that appear in the Journal.

3.Vikatavinodini-

(38)

This Journal was started in the month of November 1911. It is ascertained that the delivery peon fell ill in the month of October, November, December 1912 and so circulation had gone down that year.

4.Vokaligara Patrika-

It is ascertained that the decrease in circulation in the town is due to most of the local sales were retail...
Moffusil circulation has also gone down both for reasons that village postal system does not work properly and that agents who are in charge of the circulation of bundle system do not do their work properly

5.Sharada-

Most of the contents are renderings of

of Sanskrit into Kanada. Sometimes a general prose resume of the original Sanskrit is given in Kanada or in some case the original is permitted in Kanarese as a also translation and annotation thereof.

6.Vokaligara Patrika-

Mr.S.Venkataramiah is the Editor and the declared proprietor. Mr.B.S.Marappa appears to have signed the Press Declaration and the Vokaligara Sunga as a body, has the proprietorship of this press and Mr. Marappa is not the Editor or the Publisher or the Printer.

No. 35

To

D.V. Narasinga Rao Esquire B.A.B.L.

General and Revenue Departments.

Sir,

In reply to your letter No. G8288/G.M. 199-13-27 dated 14.4.14 calling for certain information with reference to the yearly return of newspapers published in the Mysore District, for the year 1913, I have the honor to state as follows with reference to the various points mentioned serially in your letter:

1. The reason for the decrease in the circulation of the Aryabalasamaj Magazine, to the extent of 200 in number is reported to be due to the stoppage of the distribution of sample copies, the subscriptions for which were never sent in.

The Editor of Bhakti Vijaya states that there has been no variation in the number circulated.

The Editor of the Veerasaivagrantha Prakashika has also stated as above.

There is no alternative but to accept these statements of the Editors, as the information for the previous return(12) was obtained through the Police, but for the year 1913, the required information was obtained first hand from the persons concerned under G.O.No.G.4923-31/GM.3511-91 of 19.2.13.

From the report of the proprietor of the G.T.A.Press, the increase of about 100 in the circulation of Karnataka Chendrike is seen to be obviously due to a larger number of subscribers.

The increase in the circulation of the Vrithantha Patrike is due to its increase in popularity .

2. Mr.H.Mahadevashastri of the Aswalayana Karma Kalanidhi is reported to be a Hobli school master at Harave Chamarajanagar Taluk.

Rev. H.Gulliford of the Wesleyan Mission Press which prints the Young men of India has reported that its Editor Mr. Carter is an American and that he does not know his age.

3. The date of declaration by the Publisher of the Harvest field, 2.12.12 as furnished in this office return, is correct, as on 2.12.12 Rev. H.Gulliford took charge of the Wesleyan Mission Press from Rev. Mr Thompson

4. The date of declaration given in the return re Sadbhakti Chendrike and Sriman Narasimhaprayoga-parijata prakarnam are correct and they are the same as were furnished last year.

5. Rev. H.Gulliford has also reported that Mr.Paget became editor of the Indian Christian Endeavour last June.
As regards the variation in the circulation of Maharaja's College Magazine and the young men of India, Rev. H.Gulliford of the Wesleyan Mission Press, who prints these periodicals, has stated that the editors of the paper have to be asked to explain the variation. The Editor of the Young men of India is in Calcutta. The increase or decrease is consequent on the demand for them by the public.

6 Rev. Gulliford has stated that he does kxxxxx not know the date of birth of Mr. Spencer of Bhodaka Bhodini, and that Mr. Spencer has gone to England.

7. Sarvajana Hitopakarini ceased to exist from 3rd March 1913. As the paper was being published during a portion of the year, the same was included in the return, and an explanatory remark as above shown against it (vide Col. of remarks in the statement)

8. The correct date of declaration of Vidyadayini is 29.9.9o

9. The language of Veerashaiva grantha prakasika is reported to be Kanarese and Sanscrit.

10. Mysore was by oversight included in the return for 1913, as the proprietor sent in the usual statement at the beginning of this year. The proprietor however now reports that the paper is not being published from 1910.

A further report on the remaining points will be forwarded as soon as the required information is furnished by the proprietors etc., of the printing presses noted in the margin and as regards the details of the antecedants of the Editors etc., from other sources. They have been twice reminded to send the information without delay.
